Dear Betty:

On behalf of the California Assessors' Association (CAA), I write to request a delay in the CAA petition to change Rule 462.040. Specifically, we would like to delay the interested parties process until September 1, 2007. If we are prepared to have the process move forward prior to September 1, we will contact you.

Once again, we appreciate your willingness to continue our petition from last year. Thank you for your understanding and assistance with the requested delay.

Sincerely,
